

SAP is a world leader in business solutions Become SAP Certified and Accelerate your career Join SAP Courses @ SiERP

Sydney Institute of ERP (SiERP), an SAP Education Partner, offers Solution Consultant Certification in SAP Human Capital Management. This course provides the necessary SAP skills and knowledge in Human Capital Management giving you a powerful competitive advantage in the SAP ecosystem.

Human Capital Management

The demand for acquiring skilled professionals in various functions is driving organisations worldwide to optimise their HR processes. Most successful organisations use SAP ERP software to achieve this, and consequently look for SAP Certified HR Consultants.

SAP uAcademy's Human Capital Management module equips you with knowledge on automation of core HR processes – employee administration, payroll and legal reporting.

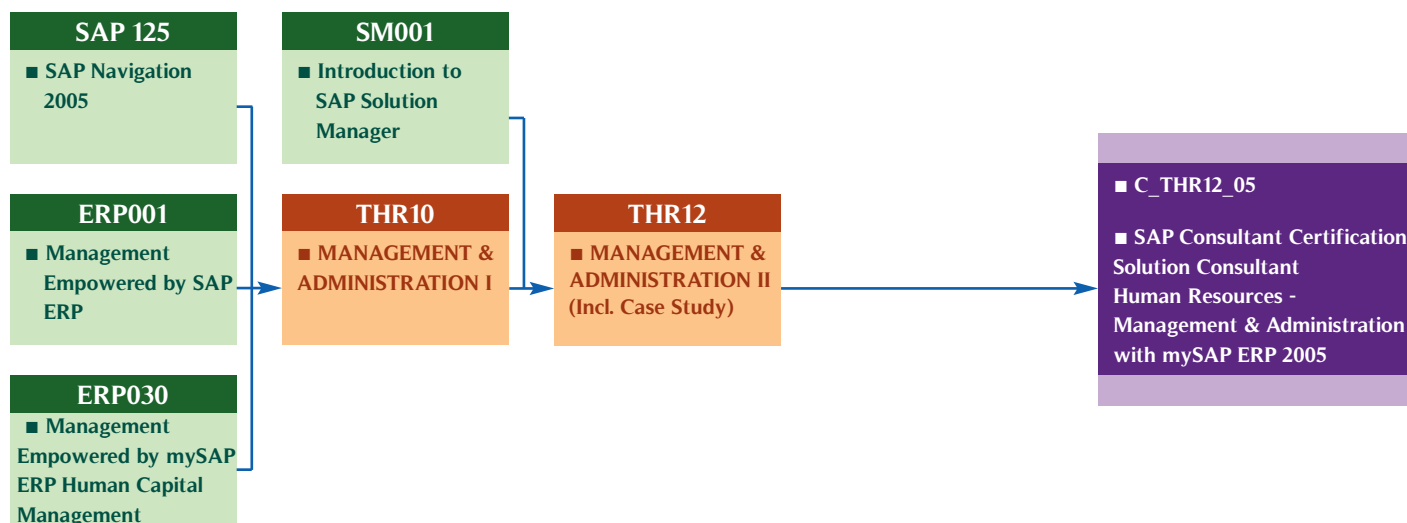

Why SAP Human Capital Management Certification?

Through the successful completion of ERP Human Capital Management certification, you will become a valued asset to your employer by learning how to:

- Support and integrate all talent management processes enabling organisations to attract, hire, and quickly onboard qualified candidates; educate and develop employees; and identify and nurture future leaders; as well as motivate and align the workforce with corporate objectives - improving organisational performance.
- Provide executives, HR professionals, and line managers with reporting and analysis options that offer real-time insight into workforce-related data enabling organisations to manage their workforces more effectively, predict human-capital investment demands, and accurately track workforce costs.
- Automate and integrate all core workforce processes for employee administration, organisational management, global employee management, time management, benefits management, payroll, and legal reporting - ensuring adherence to local regulations and laws.
